Solivita African Heritage Cultural Club Educational Fund, Inc.

The Solivita African Heritage Cultural Club Educational Fund, Inc., (SAHCCEFI) has tax exempt status and is an outgrowth of the African Heritage Cultural Club. Since our 2006 beginning, forty (40) scholarships have been awarded and over \$150,000 has been granted.

All area schools receive the scholarship applications. Our selection committee reviews all submitted applications and makes recommendations to the Board of Directors.

Each selected student is granted a \$2,000 Scholarship Award the first year and a \$500 Book Award for each of the next three college years. Our recipients receive a total of \$3,500 for their four year college education. Additionally, each is assigned a Mentor to provide guidance during the college experience.

In May of each year, SAHCCEFI presents these awards to graduating seniors at a luncheon honoring them and thanking all donors.
